

Operational Profitable Furniture Manufacturing Business

Operational Profitable Furniture Manufacturing Business

Mature business, with uninterrupted activity since its establishment, located in western Romania, close to the border with Hungary. The business has over 20 years of experience in furniture production, active both on the public procurement market (SICAP / SEAP) and on private contracts, with a very good qualification for technical and professional experience in the field of school furniture, chairs and beds.

The business is equipped with a complete technological production line. New generation equipment allows the direct production of products. It holds protected industrial property rights - utility models, industrial models and design, as well as internet domains with suggestive names.

The furniture factory for sale has qualified and stable key personnel, it has all the resources and experience needed to manufacture for export to the EU community.

Production space details

The business owns a production space (GF + 1) with an area of 1000 sqm per level.

The property is located in an area with quick access to the highway and the international airport, an area where there is the possibility of expanding production space by purchasing additional space at affordable prices.

The real estate of this furniture factory for sale allows the creation of residential spaces for staff.
