## 50-Year-Old Cardboard box and flexible packaging Manufacturing Business

With over 30 years of experience in the packaging industry, the company specializes in producing high-quality cardboard and flexible packaging solutions, primarily serving the food industry. Their flexible packaging products are made from durable materials such as polyester and polypropylene, designed to meet strict industry standards and safety regulations. While cardboard boxes remain the primary revenue source, flexible packaging serves as a key ancillary offering. The company caters to a well-established client base of 350 companies, mainly from the food sector, showcasing their expertise and reliability. With a manufacturing capacity of 15 million units annually, they are well-equipped to handle large-scale production demands efficiently. Led by experienced promoters, the company operates with full regulatory compliance and certification, reinforcing its commitment to quality and customer satisfaction.
