

Established European Logistic Business offering freight transport by road

MERGERSCORP

Established European Logistic Business offering freight transport by road

Freight transport by road is a crucial component of the global supply chain, facilitating the movement of goods between manufacturers, distributors, and consumers. This mode of transportation offers unparalleled flexibility, allowing for efficient routing and scheduling tailored to specific delivery requirements. Road freight utilizes a variety of vehicles, including trucks, vans, and specialized containers, to accommodate diverse cargo types, from perishable goods to heavy machinery.

Road Freight Services

The primary service proposition of the company is the transportation of Full Truck Loads (FTLs), Less Than Truck Loads (LTLs), and small cargo loads by road. With a team of experienced drivers, a modern fleet of trucks and trailers, and a reliable network of branches and partners, the company guarantees smooth transportation of goods across Europe and the CIS.

- Full Truckload Transportation (FTL)
- Less Than Truckload (LTL) and Groupage Transportation
- Temperature Controlled Transportation
- Time-Critical Terminal-to-Terminal Overnight Transportation
- Transportation of Cars and Heavy Equipment (finished vehicles and high/heavy goods)
- Project Logistics
- Transportation of Dangerous Goods (ADR)

Intermodal Transport

Intermodal and multimodal transport services by rail and ferry are available across Europe and Russia. Froelich International Transports, a subsidiary located in Hessisch Lichtenau, Germany, regularly operates trains between Kassel, Germany, and Verona, Italy. This service provides secure and efficient cargo transport through the Alps and connects Northern Europe to Southern Europe.

- Fast and safe
- Ability to track shipments
- Delivery throughout Europe
- Loading and unloading services
- Competitive pricing
- Support available

Non-standard dimension cargo shipments

Coordinating the optimal vehicle and route

- Obtaining permits for non-standard size deliveries and preparing necessary documents
- Escorting vehicles, if required
- Facilitating multimodal non-standard size cargo delivery
- They will provide the most appropriate and expedient technical solution for each specific cargo, maximizing platform space and ensuring all cargo parts are placed on the same platform
- Clients will receive consultations on important nuances of their shipment
- The team will carefully plan the best possible route
- Competitive pricing will be offered, with a focus on reducing delivery costs by combining several loads on a single trailer
- Clients will be kept informed about loading, with photos sent to the cargo consignee to ensure proper preparation for receiving the shipment

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
