

Innovative and Sustainable Packaging Manufacturer

Innovative and Sustainable Packaging Manufacturer

A well established packaging manufacturer specialising in corrugated cardboard solutions is available for acquisition. Operating for decades, this company has built a strong presence in Italy, catering to industries such as food, retail, logistics, and e-commerce.

The company integrates eco friendly practices, utilising renewable energy to power productions. With an installed capacity of 579 kWp and annual energy production of 760,000 kWh, it achieves a 76% energy savings, significantly reducing its carbon footprint. Additionally, substantial amounts of cardboard waste are recycled monthly, reinforcing its commitment to sustainable operations.

Furthermore, the company has a strong regional market presence with a loyal customer base, supported by advanced production technology that ensures efficiency and extensive customisation capabilities. Its environmentally responsible operations align with modern sustainability demands, reinforcing its competitive edge. Additionally, certified quality standards guarantee compliance with industry requirements, making it a reliable and reputable player in the packaging sector.

Production Capabilities

1. Four automated production lines for standard and die cut boxes with high quality flexographic printing.
2. High resolution direct printing with six colour capability for premium packaging
3. Large format packaging production for industrial applications
4. Digital printing technology for custom displays and small batch orders.
5. Prototyping and sample development with state of the art digital cutting plotters.
