

International Freight Forwarding & Transport Business

International Freight Forwarding & Transport Business

This established international freight forwarding and road transport business, based in Bratislava, handles 1,500 shipments per month and generates a strong monthly turnover of €1.2 million, demonstrating robust financial performance. The company offers a comprehensive range of services, including full European transport, international freight forwarding, and domestic road transport. With a diverse clientele of direct manufacturers, trading companies, and freight forwarders across Europe, the business ensures stable demand. Operating across an extensive geographical area from Portugal to Ukraine and Italy to Norway, it has positioned itself as a key player in the European logistics market. The company owns five large trucks for road transportation, with freight forwarding accounting for the majority of its revenue. It employs 60 skilled employees and supplements its workforce with additional contract labor. The business also holds a government license, ensuring compliance and operational credibility.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.
