1,350 MW Ready To Build Wind Farm Project

A strategic opportunity to acquire or co-invest in one of Latin America's largest renewable energy projects—a 1,350 MW wind farm in Patagonia, Argentina. Positioned to supply approximately 25% of Argentina's renewable energy demand, the project combines vast wind potential with substantial infrastructure investment already in place.

The asking price is USD 44 mm, for 100% of the shares of the company. The current owners can retain a 10% of shares through a shareholder's agreement that will include that the new owners will capitalise the Company including the portion corresponding to the minority shareholders. The asking Price includes approximately 2 million Dollars to bring the Project to a ready to build stage.
