

Swiss FINMA Regulated Asset Management Firm

Swiss FINMA Regulated Asset Management Firm

The firm is a specialized financial services provider operating with the highest standards of regulatory compliance under Swiss law.

The entity holds the official **Asset Manager** license (Gestionnaire de fortune) granted by the **Swiss Financial Market Supervisory Authority (FINMA)**, pursuant to **Article 17 of the Financial Institutions Act (FinIA)**. This authorization subjects the firm to strict prudential supervision, ensuring it meets the rigorous organizational, financial, and conduct requirements mandated by the Swiss regulatory framework.

Scope of Services

The firm's mandate is the provision of tailored and sophisticated wealth management solutions to its client base.

- **Discretionary Mandates:** The firm offers comprehensive portfolio management where its seasoned experts assume responsibility for investment decisions within a pre-agreed strategy, aiming for optimal long-term growth and capital preservation.
- **Advisory Mandates:** For clients who prefer to maintain final decision-making authority, the firm provides personalized, timely investment advice and recommendations, ensuring the client is well-informed before execution.
- **Dynamic Mandates:** Specialization includes dynamic investment strategies that actively adjust asset allocations based on evolving market conditions, offering a pro-active and risk-managed approach to wealth growth.

Trading Expertise and Instruments

The firm facilitates execution across a broad spectrum of global financial instruments, ensuring comprehensive and responsive brokerage services for its clients:

- **Traditional Markets:** Execution of trades in global **Stocks/Equities, Futures,** and **Index**-linked products.
- **Advanced Instruments:** Expertise extends to trading **Contracts for Difference (CFDs)** and **Foreign Exchange (FX)**, enabling precise and efficient market positioning.
- **Digital Assets:** The firm is equipped to manage and execute trades in major **Cryptocurrencies**, integrating these new asset classes into traditional wealth management structures.
