L#20250951

This 20-Year-Old Digital & Physical Server Hosting Company infrastructure provider has been a key player in high-performance hosting solutions for over two decades. Specializing in empowering businesses with robust and reliable IT infrastructure, the company operates state-of-the-art data centers across North America and Europe, ensuring optimal connectivity and performance for a diverse international clientele. Their commitment to superior customer support and a 100% network uptime SLA underscores their dedication to client success.

Key Services

- Dedicated Servers: Fully customizable physical servers offering exclusive resources for high-performance workloads.
- Cloud Servers: Scalable and highly available infrastructure, ideal for businesses seeking flexibility and rapid deployment.
- Colocation: Secure hosting for privately-owned servers and equipment within top-tier data centers, providing redundant power and networking.
- High Bandwidth Servers: Specialized dedicated servers with unmetered ports, designed to handle the most demanding high-bandwidth applications.
- Managed Services: Comprehensive server management plans, including 24/7 monitoring, security audits, backup management, and proactive maintenance, freeing clients to focus on their core business.
- IP Transit: Reliable internet access and IP transit services at each data center location, engineered for redundancy, performance, and scalability.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
