This company is a prominent Turkish-based manufacturer and supplier ofnatural stone products, with a strong focus on granite and other stone materials. With its professional team, the company is dedicated to providing high-quality stone solutions and services to a diverse clientele, including architects, designers, landscapers, municipalities, fabricators, installers, and manufacturers. The company operates manufacturing facilities in □zmir, Turkey, ensuring direct control over the production process from raw material to finished product.

- Mission: To serve the architectural, design, and construction industries by providing the highest quality natural stone products and professional services, meeting the specific needs of each project.
- Vision: To be a leading and trusted partner in the natural stone sector, recognized for its superior product quality, comprehensive service, and ability to assist clients from design conception through project completion.

Core Products and Services

The company offers a comprehensive range of natural stone products and professional services:

1. Natural Stone Manufacturing:
    - Specializes in the manufacturing of granite and other natural stone products.
    - Utilizes a professional team and processes to ensure high-quality output.
2. Product Supply:
    - Granite Curbing: Supplies granite curbing for landscapers, designers, and municipalities.
    - Granite Slabs: Provides granite slabs to fabricators and installers.
    - Raw Granite Blocks: Supplies raw granite blocks to other manufacturers.
    - Diverse Stone Products: Offers a wide array of natural stone products to meet various project requirements.
3. Professional Services:
    - Architect and Designer Support: Works closely with architects and designers to provide suitable stone solutions for their projects.
    - Landscaper Assistance: Supports landscapers with their granite and stone material needs.
    - Project Consultation: Offers assistance for clients constructing new buildings, renovating existing structures, or those still in the design phase, providing expertise and guidance.

Operational Strengths and Client Focus

- Quality Commitment: The company emphasizes delivering the "highest quality granite and stone product," indicating a strong focus on material excellence and craftsmanship.
- Comprehensive Client Base: Serves a broad spectrum of clients across various industries, demonstrating versatility and adaptability in meeting different demands.
- Integrated Approach: From manufacturing to supply and consultation, the company provides integrated services to streamline the stone procurement and
