

# Subsoil Use Rights for Aktobe Oilfield Redevelopment (1.5M Tons B+C1)

## Subsoil Use Rights for Aktobe Oilfield Redevelopment (1.5M Tons B+C1)

An exclusive opportunity to acquire 100% of the subsoil use rights for a strategic brownfield oil asset located in the prolific Aktobe Region. This project represents a high-upside redevelopment play, characterized by significant state-certified reserves, shallow-depth production horizons, and substantial untapped potential through modern Enhanced Oil Recovery (EOR) applications.

### Asset Fundamentals & Reserve Audit

The asset's value proposition is supported by official reserves registered on the State Balance of the Republic of Kazakhstan:

- **Total Geological Reserves (B+C1):** 1,508,000 Tons
- **Current Recoverable Reserves (B+C1):** 87,000 Tons
- **Historical Cumulative Production:** 430,000 Tons

### Stratigraphic Breakdown:

- **Middle Jurassic (J2):** 572k tons Geological / 56k tons Recoverable
- **Permo-Triassic (PT):** 936k tons Geological / 31k tons Recoverable

### Strategic Investment Highlights

- **Optimization Potential:** With a historical Recovery Factor (RF) of only 5.7%, the asset is prime for secondary and tertiary recovery. Implementation of thermal stimulation and polymer flooding is projected to significantly enhance recoverable volumes.
- **Low CAPEX Environment:** Target horizons are situated at depths of 300–550 meters. These shallow reservoirs facilitate low-cost drilling programs and cost-effective workover operations on the existing well stock.
- **Data Integrity & Infrastructure:** The acquisition includes a comprehensive technical database, including 2D seismic (Maersk Oil) and historical well logs. The asset benefits from proximity to established regional pipeline networks and logistics hubs.
- **Operational Status:** Currently in the pilot production preparation phase, offering a clear pathway to near-term cash flow.

#### TARGET PRICE

\$10,000,000

#### GROSS REVENUE

\$0

#### EBITDA

\$0

#### BUSINESS TYPE

Oil Production Company

#### COUNTRY

Kazakhstan

#### BUSINESS ID

## Transaction Terms

The divestment is structured as a full transfer of subsoil use rights. Qualified investors may gain access to the Virtual Data Room (VDR)—containing geological passports and reserve certifications—following the execution of a formal Non-Disclosure Agreement (NDA).

*The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction*

*The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.*

*By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.*

*This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.*

*The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.*

*All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.*
