

3MW Wind Onshore Facility

MERGERSCORP

3MW Wind Onshore Facility

A fully contracted, de-risked renewable infrastructure opportunity located in Albania. The project consists of a 3 MW onshore wind facility positioned in a strategic coastal location with secured permits, government concessions, and a long-term Power Purchase Agreement (PPA).

The project is structured to provide predictable cash flows, attractive sponsor returns, and strong downside protection through contracted energy sales and completed development milestones.

Fully De-Risked Renewable Asset

- 100% development approvals secured
- Construction-ready project upon financial close
- Long-term contracted revenue visibility
- Government-backed concession structure
