Manufacturing Business of High Quality Patented Merchandising for Famous Football Clubs

A company specializing in high quality miniature collectible sports jerseys, presented in an attractive acrylic display case under the brand, which is registered by EUIPO (European Union Intellectual Property Office). It is a revolutionary new product range that promises phenomenal success and creates a brand new segment in the UK and global market.

The very first product was produced under license in March 2015, Norwich City FC (UK, Premier league). It is a miniature replica of the team's 2014/2015 season home shirt, about 9cm in height and made of 100% polyester. Following the success of our first product, we acquired an Arsenal FC license to produce the Official Miniature Shirt.
