

Established E-commerce Tobacco business

Established E-commerce Tobacco business

Get the highest market share of the business in Sweden through the purchase of this company. The business that is conducted today consists of an e-commerce website with several web addresses patented throughout Europe, the USA, India and Canada. General agency for several brands in Sweden, including France's largest supplier of rolling paper.

The company has a customer registry with approx. 120,000 email addresses, 50-60,000 SMS recipients and returning customers from all over the Nordics, England and Germany. The company also has approx. 400 retailer customers in its register today, they have very little marketing costs as they have relied on the customers' 'Word Of Mouth', which leaves room for further growth with the right marketing.

Today there is a physical store where customers can shop directly, with a warehouse from which customer orders are received and delivered within 1-3 days.

Very easily managed and fully automated family business. Highly optimized with over 20 years of experience applied. High profitability with very good reputation in the market. 4.8/5 from over 3,400 trustpilot users verified. Profit every year and good investments back in the company.

Company generates high revenue with a team of just 10 employees due to its long standing presence in this niche industry of retailing paraphernalia and now vapes as well.
